Staff Summary:

Background

The City Council awarded a contract to Straightline Engineering for the stormwater drainage improvements and for small repairs to the drainage system in February 2009. The solicitation specification has provisions for a one year renewal.

Current Situation

The drainage system continues to require small repairs to eliminate ponding and to afford better drainage. The Contractor has requested to renew the contract with the same terms and conditions and same pricing throughout the one year renewal period. Funding for small repairs are allocated in the Stormwater Fund.

Proposed Action:

That the City Council approve the attached resolution authorizing the City Manager to issue purchase orders in accordance with the bid specifications for the renewal period of one year, in an amount not to exceed the allocated budget of \$100,000 to Straightline Engineering, located in Miami, Florida.
